Coaches comments about their Pan Am Cup teams

SANTO DOMINGO, Dominican Republic, September 2, 2021 – The coaches of the six teams participating in the Fifteenth Men's Volleyball Pan American Cup, commented about their squads, on the eve of the start of the competition.

Here the excerpts of their statements:

Ben Josephson, Canada: "Our goal is to play all seven matches and hopefully be in the last match of the tournament. We are bringing a young team that includes university players. The age average of our team is 21 and only three players who competed in Durango are part of this squad. Our young players are really excited to compete at this high level."

José Mañón, Dominican Republic: "The team is now much better than for the Continental, which served us in preparation for this one because before the Continental we had a year and a half without training. The team is now in better shape and we must have a good tournament and I think we should be in the final. That is what the public is waiting for".

Jorge Azair, Mexico: "The team is more or less the same that played the NORCECA with the only change made was the one of Pedro Rangel for the U23 setter Alejandro Mendoza. We come with the rhythm of Durango with the idea of getting points, consolidating the classification and why not, winning the competition".

Alberto Torres, Puerto Rico: "It is a continuation of the young group we are working for the renovation of our national team. We are looking to give these young players the necessary exposition to the high level and prepare ahead of the world championship we classified in Durango at NORCECA Championship."

Augusto Sabbatini, Suriname: "The team has trained hard in Suriname. They are not professional players since they have to work during the day and train at night. The team has improved over the last three months and the desire to progress is evident in the eyes of the players. Both in the technical and in the tactical part the team is very good and we hope to do a good job in this Pan American Cup".

Andy Reid, United States: "USA is bringing a very different team than other NORCECA Championships. We are very excited and for some of these new era players it will be their first international competition. I think that for some other teams it would be the same. The tournament will be very exciting for all teams."

Coaches comentan sobre equipos en Copa Pan Am

SANTO DOMINGO, República Dominicana, 2 de septiembre de 2021 - Los entrenadores de los seis equipos participantes de la XV Copa Panamericana de Voleibol Masculino, comentaron sobre sus escuadras, en vísperas del inicio de la competencia.

Aquí los extractos de sus declaraciones:

Ben Josephson, Canadá: "Nuestro objetivo es jugar los siete partidos y, con suerte, estar en el último partido del torneo. Traemos un equipo joven que incluye jugadores universitarios. La edad promedio de nuestro equipo es de 21 años y solo tres jugadores que compitieron en Durango forman parte de esta plantilla. Nuestros jugadores jóvenes están muy emocionados de competir a este alto nivel".

José Mañón, República Dominicana: "El equipo está ahora mucho mejor que para el Continental que nos sirvió de preparación para éste porque antes del Continental teníamos un año y medio sin entrenar. El equipo está ahora mucho más fino y debemos dar un buen torneo y creo que debemos estar en la final. Eso es lo que el público está esperando".

Jorge Azair, México: "El equipo es más o menos el mismo que jugó el NORCECA y el único cambio que hicimos fue el Pedro Rangel por el acomodador del Sub-23 Alejandro Mendoza. Venimos con el ritmo de Durango con la idea de conseguir puntos, afianzar la clasificación y por qué no, ganar la competencia".

Alberto Torres, Puerto Rico: "Es una continuación del grupo joven en el que estamos trabajando para la renovación de nuestra selección nacional. Buscamos darles a estos jóvenes jugadores la exposición necesaria al alto nivel y prepararnos de cara al campeonato mundial que clasificamos en Durango en el Campeonato NORCECA".

Augusto Sabbatini, Surinam: "El equipo ha entrenado fuerte en Suriname, donde no son jugadores profesionales que tienen que trabajar durante el día y entrenar en la noche. El equipo ha mejorado durante los últimos tres meses y en los ojos de los jugadores se nota el deseo de progresar. Tanto en la parte técnica como en la táctica el equipo está muy bien y esperamos hacer un buen papel en esta Copa Panamericana".

Andy Reid, Estados Unidos: "Estados Unidos trae un equipo muy diferente al de otros Campeonatos NORCECA. Estamos muy emocionados y para algunos de estos jugadores de la ueva era será su primera competición internacional. Creo que para algunos otros equipos sería lo mismo. El torneo será muy excitante para todos los equipos".
