Luis Banuelos, coach of Mexico: We are very happy to have achieved the main goal, which was a pass to the World Championship. We know that we still have a lot to work on, a lot to analyze this entire tournament. But this is a time to celebrate together with the girls, together with our families and all of Mexico. Very happy with the pass to the World Championship.

Canada Coach Christine Biggs: Obviously it's painful to not come away with a win tonight and a berth to the world championships. I definitely feel for the athletes who committed to the process and did a lot of learning over the week. I think it's a really good step for them and for the program for our young athletes to have this experience in their developmental pathway. It's good for our senior national team program to have athletes coming in that have been in these pressure situations.

Luis Bañuelos, entrenador de México: Estamos muy contentos de haber logrado el objetivo principal, que era el pase al Mundial. Sabemos que aún nos queda mucho por trabajar, mucho por analizar en todo este torneo. Pero este es un momento para celebrar junto con las niñas, junto con nuestras familias y todo México. Muy contento con el pase al Mundial.

Entrenadora de Canadá, Christine Biggs: Obviamente es doloroso no salir con una victoria esta noche y un puesto en el campeonato mundial. Definitivamente lo siento por los atletas que se comprometieron con el proceso y aprendieron mucho durante la semana. Creo que es un muy buen paso para ellos y para el programa que nuestros jóvenes atletas tengan esta experiencia en su camino de desarrollo. Es bueno para nuestro programa de equipos nacionales mayores que vengan atletas que han estado en estas situaciones de presión.
