## Head coaches speak ahead of 15th Pan Am Cup in Gatineau

### Group A

#### Nicolas Vives, Head Coach of Cuba

We just returned from winning the World Challenge in Korea and qualifying to the VNL next year. We want to perform well here while also testing new players and resting some of our key men after a busy campaign and in preparation for the World Championships.

The team is almost the same as the one who won this tournament in 2019, with the addition of Robertlandy Simon and Michael Sanchez. I started coaching this generation of players in 2017 and they are progressing well, from the U19 to the U23 World Championships and their involvement in international leagues. They have matured technically and tactically and are now in a better place to solve crucial moments in a game. This generation should peak in 2024 and stay with the world's best and the VNL is a great step forward.

#### Andy Read, Head Coach of USA

The team is a blend of guys that we had at the Pan Am Final 6 in Mexico and some guys that are coming back from VNL. It is a very good blend. Our talent level and physically are better than what it was in Mexico. We look forward to a better finish than Mexico (bronze).

The team preparing for the World Championships is staying in Anaheim, so our guys are here to gain more experience.

This tournament is the most important ever in the history of the Pan Am Cup. It has world rankings points involved for Olympic qualification, which is everything.

#### Jorge Gutierrez, Head Coach of the Dominican Republic

It is important to be here to gain experience. We have our U21 team, they are young, and we want to improve our level of play. The players here just want to play and show the world they can play at this level.

#### Daniel Nejamkin, Head Coach of Chile

Our goal here is to make the podium, plain and simple. We think we can do it. So we are going to play for that.

The Pan American Cup is better for us than training because we have to play against a lot of teams

hat are ranked similar or better than us. In South America, Brazil and Argentina play at a higher level, and we always play against Colombia and Venezuela. So here, we have the opportunity to play against international teams that can really test us.”

### Group B

#### Jorge Azair, coach of Mexico

We have prepared well since the start of the year. It’s a young team that has been progressing well and preparing for the World Championships. We have lost players through injury and conflicts with school calendars. We secured our main goals so far by qualifying to the 2023 Pan Am Games and the World Championships.

We are here to obtain valuable world ranking points for future events such as the Olympic qualifiers for 2024.

#### Oswald Antonetti, coach of Puerto Rico

This is our third tournament this summer. We have been adding elements and some key players are returning here to join the squad preparing for the World Championships. We treat this tournament with the same rigour as the World Championships.

We have a young team who is creating an identity. Some of these players won the Norceca championship last year. We have been working on creating a sense of sacrifice, courage, discipline and identity that we need so much as an Island.

We have 90% of the players here who will make the squad for the World Championships. For us, the World Championships starts with this Cup. We train well and we are able to execute the modern form of playing volleyball. We are integrating the right elements into our game. We can’t accelerate this process.

#### Guilherme Pinto, Head Coach of Brazil:

We want to give the guys some good experience. We are very glad and happy to be playing at a high-level competition like this. This experience will help them achieve their future goals and the teams’ goals moving forward.

They are a young team, so this is a development opportunity for the guys, especially mental development. Representing Brazil, our country, is something to be very proud of, so we hope we will continue to play with pride throughout the tournament.

## Fun Facts:

Brazil #19 is son of Adriana Bento, Canadian beach volleyball coach. He is Canadian dual citizen.

They've already qualified for the Pan Am Games through Jr Pan Am games, this tournament is therefore important for FIVB ranking for the Olympics and VNL qualifications.

### Dan Lewis, Head Coach of Canada

We have a pretty experienced group, there's a lot of guys that train here that have the potential to go to World Championships so I feel that we should be trying to win our pool, as the first step. Then of course I would like the guys to be in the medals. So you can expect that we are fighting for gold.

The guys are excited first not having to listen to me yell at them in training, and to actually play a game. But of course, obviously competing. There are so many great countries here, it's not just the top hemisphere, but the southern hemisphere as well with a bunch of dynamic players. We hardly ever see Chile; Brazil is younger, but they are very highly skilled and they're big so it's super fun to play a group like that. Cuba's A team just qualified for VNL, are now near the top 10 best teams in the world probably, with maybe arguably one of the best serving teams in the world. So I think opportunity to compete first for the guys, and then to actually be competing against some of the best talent in the world, is really good for them."

A quick thank you, we know it takes a lot of organization and everyone is working so hard to host an event this size. We're very excited about the new gym too and what we can get going there. And then to the volunteers, we know they come and give a lot of their time, so we thank them, and it doesn't go unnoticed."

## Los entrenadores hablan antes de la Copa Panamericana en Gatineau

### Grupo A

Nicolás Vives, Entrenador de Cuba

Acabamos de regresar de ganar el World Challenge en Corea y clasificarnos para el VNL el próximo año. Queremos tener un buen desempeño aquí mientras también probamos a nuevos jugadores y descansamos a algunos de nuestros hombres clave después de una campaña ocupada y en preparación para el Campeonato Mundial.

El equipo es casi el mismo que ganó este torneo en 2019, con la incorporación de Robertlandy Simon y Michael Sanchez. Empecé a entrenar a esta generación de jugadores en 2017 y están progresando bien, desde el Campeonato Mundial Sub-19 hasta el Sub-23 y su participación en ligas internacionales. Han madurado técnica y tácticamente y ahora están en mejores condiciones para resolver momentos cruciales de un partido. Esta generación debería alcanzar su punto máximo en 2024 y quedarse con los mejores del mundo y el VNL es un gran paso adelante.

**Andy Read, entrenador en jefe de EE. UU.**

El equipo es una mezcla de muchachos que tuvimos en la Final 6 Panamericana en México y algunos muchachos que regresan de VNL. Es una muy buena mezcla. Nuestro nivel de talento y físicamente es mejor que lo que había en México. Esperamos un mejor resultado que México (bronce).

El equipo que se prepara para el Campeonato Mundial se queda en Anaheim, por lo que nuestros muchachos están aquí para adquirir más experiencia.

Este torneo es el más importante en la historia de la Copa Panamericana. Tiene puntos de clasificación mundial involucrados para la clasificación olímpica, que es todo.

**Jorge Gutiérrez, Entrenador de República Dominicana**

Es importante estar aquí para adquirir experiencia. Tenemos nuestro equipo Sub-21, son jóvenes y queremos mejorar nuestro nivel de juego. Los jugadores aquí solo quieren jugar y mostrarle al mundo que pueden jugar a este nivel.

**Daniel Nejamkin, Entrenador de Chile**

Nuestro objetivo aquí es llegar al podio, simple y llanamente. Creemos que podemos hacerlo. Así que vamos a jugar por eso.

La Copa Panamericana es mejor para nosotros que entrenar porque tenemos que jugar contra muchos equipos que están clasificados igual o mejor que nosotros. En Sudamérica, Brasil y Argentina juegan a un nivel superior, y siempre jugamos contra Colombia y Venezuela. Así que aquí tenemos la oportunidad de jugar contra equipos internacionales que realmente pueden ponernos a prueba”.

## **Grupo B**

### **Jorge Azair, entrenador de México**

**Nos hemos preparado bien desde el comienzo del año. Es un equipo joven que ha estado progresando bien y preparándose para los Campeonatos del Mundo. Hemos perdido jugadores por lesiones y conflictos con los calendarios escolares. Conseguimos nuestros principales objetivos hasta ahora al clasificarnos para los Juegos Panamericanos y el Campeonato Mundial de 2023.**

**Estamos aquí para obtener valiosos puntos de clasificación mundial para futuros eventos, como las clasificatorias olímpicas para 2024.**

### **Oswald Antonetti, entrenador de Puerto Rico**

**Este es nuestro tercer torneo este verano. Hemos estado agregando elementos y algunos jugadores clave regresan aquí para unirse al equipo que se prepara para el Campeonato Mundial. Tratamos este torneo con el mismo rigor que los Campeonatos del Mundo.**

**Tenemos un equipo joven que está creando una identidad. Algunos de estos jugadores ganaron el campeonato Norceca el año pasado. Hemos estado trabajando en crear un sentido de sacrificio, coraje, disciplina e identidad que tanto necesitamos como Isla.**

**Tenemos el 90% de los jugadores aquí que formarán el equipo para el Campeonato Mundial. Para nosotros, el Campeonato del Mundo comienza con esta Copa. Entrenamos bien y somos capaces de ejecutar la forma moderna de jugar voleibol. Estamos integrando los elementos correctos en nuestro juego. No podemos acelerar este proceso.**

### **Guilherme Pinto, Entrenador de Brasil:**

**Queremos darles a los muchachos una buena experiencia. Estamos muy contentos y felices de jugar en una competencia de alto nivel como esta. Esta experiencia les ayudará a alcanzar sus objetivos futuros y los objetivos de los equipos en el futuro.**

**Son un equipo joven, por lo que esta es una oportunidad de desarrollo para los muchachos, especialmente el desarrollo mental. Representar a Brasil, nuestro país, es algo de lo que estar muy orgulloso, por lo que esperamos seguir jugando con orgullo durante todo el torneo.**

### **Hechos agradables:**

**Brasil #19 es hijo de Adriana Bento, entrenadora canadiense de voleibol de playa. Tiene doble nacionalidad canadiense.**

Ya se clasificaron para los Juegos Panamericanos a través de los Juegos Panamericanos Junior, por lo que este torneo es importante para la clasificación de la FIVB para las clasificaciones de los Juegos Olímpicos y VNL.

Dan Lewis, entrenador en jefe de Canadá

Tenemos un grupo bastante experimentado, hay muchos muchachos que entrenan aquí que tienen el potencial de ir al Campeonato Mundial, así que creo que deberíamos tratar de ganar nuestro grupo, como primer paso. Entonces, por supuesto, me gustaría que los muchachos estuvieran en las medallas. Entonces puede esperar que estemos luchando por el oro.

Los muchachos están emocionados primero por no tener que escucharme gritarles en el entrenamiento y por jugar un juego. Pero claro, obviamente compitiendo. Hay tantos países geniales aquí, no es solo el hemisferio superior, sino también el hemisferio sur con un montón de jugadores dinámicos. Casi nunca vemos Chile; Brasil es más joven, pero tiene mucha habilidad y es grande, así que es súper divertido jugar contra un grupo así. El equipo A de Cuba acaba de clasificarse para VNL, ahora está probablemente cerca de los 10 mejores equipos del mundo, con quizás uno de los mejores equipos de servicio del mundo. Así que creo que la oportunidad de competir primero por los muchachos, y luego competir contra algunos de los mejores talentos del mundo, es realmente bueno para ellos”.

Un rápido agradecimiento, sabemos que se necesita mucha organización y todos están trabajando muy duro para organizar un evento de este tamaño. También estamos muy entusiasmados con el nuevo gimnasio y lo que podemos hacer allí. Y luego a los voluntarios, sabemos que vienen y dan mucho de su tiempo, así que les agradecemos y no pasa desapercibido”.
