CAZOVA CHAMPIONSHIPS 2022

UNDER 19 CAZOVA CHAMPS MALE

JULY 7TH -11TH 2022
Pleasantville, Trinidad & Tobago.

DRIVEN TO SUCCEED,
FROM PANDEMIC TO PODIUM

PLEASANTVILLE, San Fernando, Trinidad, July 6, 2022: With only host Trinidad and Tobago, and Suriname registered to compete, history will be made when one of the two teams capture their first ever title in the Caribbean Zonal Volleyball Association Youth Boys (Under-19) Championship.

The tournament will begin at the Southern Regional Indoor Sports Arena on Thursday and both coaches were cautious in their words, with Peer Nasseir, the coach of TTO even hinted at Suriname being favourites to the title in their best-of-three finals.

Once again, Barbados, which captured the title for a third time in 2019 in Jamaica will not be here to defend their title leaving the door open for Suriname, the runner-up back then and TTO, who ended fourth to fight it out for the coveted crown.

Under-19 Boys:

ANTOINE VLIET (Suriname): "We had a good preparation of one month and we focused on playing a lot of matches so they guys can gain some kind of momentum as we only had one competition at home before training for the tournament.

"Our competition is only between us and Trinidad and Tobago and having not played for sol long due to the pandemic we would have liked to have more matches, but we still hope to win our series against them as we don't intend to underestimate any team and above all, we want to win."

PEER NASSEIR (Trinidad and Tobago): We have a three game series with Suriname because of a lack of teams. The positive thing out of this is that we have never made it to a final in this age-group before since its inception in 2007 when we won bronze and three years later again we got bronze.

"To be honest, Suriname is practically unbeatable, but I am hoping that with the three-game series we should be able to scout them, adapt to them and overcome them.

"However, that will all depend on the gap between both teams and if we can close this gap in the short space of time, coming out of a pandemic and not much competition or preparation done over any long period of time.
