Competition Format

9.1 Classification, Quarterfinal and Semifinal Rounds

For the Classification, Quarterfinal, and Semifinal Rounds, according to the FIVB General Competition Regulations, it must be avoided that teams from the same group play each other as established in the competition format.

9.2 According to the established competition format and the FIVB General Regulations, for the Classification, Quarterfinal, and Semifinal Rounds, if three teams from the same group qualify, the match between the highest ranked team and the lowest ranked team of their Preliminary Round will be repeated.

9.3 Round Robin Ranking

To establish the ranking of teams after Preliminary Round, the ranking of the teams will be determined as follows:

1. By the results of matches won and lost.
2. In case of equality in the number of matches won and lost, among two or more teams of the same group, the final ranking of the teams will be determined by the number of points gained among teams of the same group during the Preliminary Round.
3. The following points will be awarded to each team per match, according to the number of sets won/lost:

Match won 3-0 = 5 points

Match lost 0-3 = 0 point

Match won 3-1 = 4 points

Match lost 1-3 = 1 points

Match won 3-2 = 3 points

Match lost 2-3 = 2 points

Match forfeited = 0 points (0-25, 0-25, 0-25)

9.4 Tie Breaking Procedure

In case of equality in the number of points gained by two or more teams, the tie will be broken by the points ratio with the following criteria, in order of importance:

- A) **Point Quotient:** In case of equality in the number of points gained by two or several teams they will be classified in descending order by the quotient resulting from the division of all points scored by the total of points lost.
- B) **Set Quotient:** If the tie persists as per the points quotient the teams will be classified in descending order by the quotient resulting from the division of the number of all sets won by the number of all sets lost.
- C) **If the tie continues as per the set quotient between two teams,** the priority will be given to the team which won the last match between them.
- D) **When the tie is between three or more teams** a new classification of these teams will be made taking into consideration only the matches in which they were opposed to each other.

Coaches speak ahead of Men's Volleyball at Santiago 2023 Pan Am Games

SANTIAGO, Chile, October 28, 2023.- Head coaches spoke ahead of the Men's Volleyball Tournament at the 2023 Santiago Pan American Games that kicks off on Monday at the Arena Parque O'Higgins.

The competition that runs from October 30 to November 4 will start with three days of pool-play. Pool A consisting of Brazil, Colombia, Cuba and Mexico, and Pool B composed of defending champions Argentina, Puerto Rico, Dominican Republic and host Chile.

Ariel López Martín, Head Coach of Argentina: "As defending champions, we have a responsibility. Certainly, this time we haven't arrived in the best training conditions, considering the schedules and commitments of the top players competing in Europe. However, we come with the same expectation of trying to have a great tournament. We set short-term goals, one match at a time. Argentina's goal has always been to be a leading contender, and hopefully, the competition allows us to contend for a medal. Our primary focus today is our debut against Puerto Rico".

Giuliano Ribas "Juba", Head Coach of Brazil: "We expect to have balanced games. In our group, there are teams we have already faced this season, in the South American Championship. Colombia even played a very tough match against us. We have prepared as much as possible to have a good debut. Then, the sequence also affects the team in terms of the volume of play, a lot of defenses. Cuba has a very strong attacking power, so we must prepare well in this group qualification phase and then the crossovers that come from the other group. The matches will be balanced from start to finish, and we have to be well-prepared to neutralize the opponent's qualities".

Jorge Schmidt, Head Coach of Colombia: "We come to this tournament opened to learn. Colombia is in a process of evolution, and we see that the Federation, the Olympic Committee, and the Ministry of Sports are showing a lot of interest and have given us a few extra days of training. However, like all teams, we face the reluctance to release our athletes from their clubs, but we don't complain. Our team is competitive, and we're giving it our all".

Daniel Nejamkin, Head Coach of Chile: "We are proud and excited to know that all the tickets to enjoy volleyball are sold out. We are aware that the tournament will be very tough, highly competitive because almost all the countries brought their top teams, and those who haven't have brought four or five key players. We hope to play for a medal, thrilled to play at home and with the thought that with the support of the fans, we can achieve a medal".

Jesús Ángel Cruz, Head Coach of Cuba: "For many of the athletes on the team, these are their first Pan American Games, so the competition has twice the importance. Many of them are quite young, because it was challenging to put a team together due to club season, but those who are here wish to show their quality of play and abilities, seizing the opportunity to be part of the national team. The primary goal, like all the teams here, is to be among the top four".

Alexander Gutiérrez, Head Coach of Dominican Republic: "It's been more than 40 years since the Dominican Republic last qualified for the Pan American Games. Our intention is to enjoy and continue to benefit from acquiring experience because this is a group for the future. We've had an incredible season, and we'll try to do our best to keep showing that we are still growing".

Jorge Azair, Mexico Coach: “I’m happy to be at another Pan American Games. The team is motivated, with the expectation of pursuing a medal. We know that all the teams have the same goal, so we’ll take it step by step. We’ve been working hard, and there have been some changes due to injuries and retirements”.

Oswald Antonetti, Puerto Rico Coach: “Half of the players are playing with their universities in the United States and some clubs in Europe, while the other half has been competing on the island in our professional league. We’re coming together for this tournament. It’s a very intriguing competition, and we see real opportunities to achieve victories. We have a special spirit to represent our island with dignity here at the Games, and that’s how we will approach the tournament”.

Entrenadores hablan antes del Voleibol Masculino de Juegos Panamericanos Santiago 2023

SANTIAGO, Chile, 28 de octubre de 2023: Los entrenadores hablaron previo al Torneo de Voleibol Masculino en los Juegos Panamericanos de Santiago 2023 que comienza el lunes en el Arena Parque O’Higgins.

La competencia, que se llevará a cabo del 30 de octubre al 4 de noviembre, comenzará con tres días de la ronda de grupos. El Grupo A conformado por Brasil, Colombia, Cuba y México, mientras que el Grupo B compuesto por el campeón defensor Argentina, Puerto Rico, República Dominicana y el país anfitrión Chile”.

Ariel López Martín, Entrenador Argentina: “Tenemos una responsabilidad siendo campeones defensores. Seguramente en esta ocasión no llegamos con la mejores condiciones de entrenamiento teniendo en cuenta el calendario y los compromisos de los grandes jugadores que compiten en Europa, pero venimos con la misma expectativa de tratar de hacer un gran torneo. Nos trazamos objetivos a corto plazo, un partido a la vez. El objetivo de Argentina siempre es ser protagonista y ojalá la competencia nos permita pelear por una medalla. Principalmente hoy el objetivo es nuestro debut ante Puerto Rico”.

Giuliano Ribas “Juba”, Entrenador de Brasil: “La expectativa es que tengamos juegos equilibrados. En nuestro grupo hay equipos con los que ya nos hemos enfrentado esta temporada, en el Campeonato Sudamericano. Colombia incluso nos jugó un partido muy duro. Nos preparamos lo más posible para hacer un buen debut. Y luego la secuencia también afecta al equipo en cuanto a volumen de juego, mucha defensa. Cuba tiene un poder de ataque muy fuerte, por eso tenemos que prepararnos bien en esta fase de clasificación de grupo y luego los cruces que vienen del otro grupo. Los partidos serán equilibrados de principio a fin y tenemos que estar bien preparados para neutralizar las cualidades del rival”.

Daniel Nejamkin, Entrenador de Chile: “Nos llena de orgullo y de emoción saber que todas las entradas para disfrutar el voleibol están agotadas. Sabemos que el torneo será muy difícil, super parejo porque casi todos los países han venido con sus equipos titulares y aquellos que no, han traído cuatro o cinco jugadores claves. Tenemos la ilusión de jugar por una medalla, ilusionados de jugar en casa y pensar que con el apoyo del público lo podamos alcanzar”.

Jorge Schmidt, Entrenador de Colombia: “Llegamos a este torneo con una gran apertura para aprender. Colombia está en un proceso de evolución y estamos viendo que la propia Federación, el Comité Olímpico y el Ministerio de Deportes se están interesando mucho y automáticamente nos dieron unos días extra de entrenamiento. Pero nos enfrentamos, como todos los equipos, a la negativa de liberar a nuestros atletas de sus clubes, pero no nos quejamos. ¡Nuestro equipo es competitivo y vamos con todo”.

Jesús Ángel Cruz, Entrenador de Cuba: “Para muchos de los atletas en el equipo son sus primeros Juegos Panamericanos, por lo que la competencia tiene una doble importancia. Muchos atletas son muy jóvenes por que ha sido difícil la composición de los equipos acá por ser una temporada de clubes, pero los que están acá tienen el deseo de mostrar su calidad y capacidad, aprovechando la oportunidad de conformar la selección nacional. La meta fundamental, como todos los equipos acá, es estar entre los mejores cuatro”.

Alexander Gutiérrez, Entrenador de República Dominicana: “Hace más de 40 años que República Dominicana no clasificaba a unos Juegos Panamericanos. Nuestra intención es disfrutar y seguir sacando provecho de ganar experiencia porque este es un grupo para el futuro. Hemos hecho una temporada increíble y vamos a tratar de hacer lo mejor posible para seguir demostrando que se sigue creciendo”.

Jorge Azair, Entrenador de México: “Estoy contento por estar en unos Juegos Panamericanos más. El equipo viene motivado, con la expectativa de buscar una medalla. Sabemos que todos los equipos vienen con la misma meta, iremos paso por paso. Hemos estado trabajando fuerte, hay algunos cambios por lesiones y retiros”.

Oswald Antonetti, Entrenador de Puerto Rico: “La mitad de los jugadores están en sus equipos universitarios en los Estados Unidos y en algunos clubes en Europa, la otra mitad ha estado en la isla compitiendo en nuestra liga profesional, nos vamos a unir para este torneo. Es un torneo muy interesante y vemos oportunidades reales de forjar victorias. Tenemos una mística especial de una representación digna de nuestra isla acá en los Juegos, así lo vamos a afrontar el torneo”.
