## Coaches looking ahead to an important competition in Canada

QUEBEC, Canada, August 28, 2023.- The 2023 NORCECA Senior Women's Volleyball Continental Championship in Quebec, Canada, runs from August 29 to September 3 at the PEPS' Amphithéâtre Desjardins-Université Laval.

**Shannon Winzer, head coach of Canada:** "This really important for ranking points, but whenever we are playing within our region, we want to be one of the top teams. The last time we played in the NORCECA Championship we were third and our intention is to improve on that result, and we want to see ourselves in that gold-medal game. I think this sets the tone for the rest of the summer – I think we're in a really good spot. Playing at home is so exciting – the environment that they have created here in Quebec is amazing to be part of it. It adds an extra element of wanting to do our best on this stage."

**Jose Miguel Brinceño, coach of Costa Rica:** "The expectations we have are that there will be a lot of learning from the team we're bringing, which is quite young. We have under 19 players, some players who are starting in the senior team process, and players who have had significant international participation. We hope that these players fit in well and that in the upcoming years, they become a strong foundation for the senior team. "We want to learn from the best teams, participate in the best way, and give our best performance in every match, so that with each game we improve progressively."

**Osmani García, head coach of Cuba:** "We arrived here right after a very strong tournament in the Dominican Republic, and our group is still covered in the dust from the plane. The expectations will be to strategize day by day and seek the highest number of ranking points. At this moment, we are not qualified for the pre-Olympic events; we are looking to form a group towards the Pan American Games."

**Marcos Kwiek, head coach of Dominican Republic:** "It's my first time competing here in Canada with the Dominican team; I've been with the team for 16 years and it's my first time here. We are very excited with the tournament. It's a very important tournament. I don't take this as a preparation tournament, it's a very important tournament, it's part of the Olympic qualifier. We are here to compete at a great level, it's obvious that every team here wants the same goal, and we are one more team who wants to win the tournament; it's part of our preparation for the qualification for the Olympic Games".

**Victor Javier Gutierrez, manager of Mexico:** "Mexico always comes to do the best possible in all events, and this time is no exception, so we expect a good event for Mexico. It will be a great competition; apparently, the teams that are here are coming with their top players, so it will be a strong and interesting competition."

**Fernando Morales, head coach of Puerto Rico,** “We’re looking to be in the last four, the semifinals. So we will try to win our group and be directly in the semifinals. If not, the goal is to win the quarterfinal match and then after that try to get a medal. But our first objective is to be in those semifinals. We have had a good summer so far; we have played in three tournaments and in all those tournaments we have been in the finals. We know this will be a harder, but we want to be in that semifinals and fight for a medal.”

**Karch Kiraly, head coach of United States:** “We’re really excited about competing in our zone in our Continental Championship; they happen every two years and are really important in our ranking points – they often happen at the end of the season when teams are trying to reach their peak and hone their game. It’s not only a great test in itself, but also great preparation for the many teams who are here who will be competing very soon afterward in the Olympic qualification process. This is an important combination of tournaments. “We love playing great competition across the next. ... We’re looking forward to that.”

### **Entrenadores mirando hacia una competencia importante en Canadá**

QUEBEC, Canadá, 28 de agosto de 2023.- El Campeonato Continental Femenino de Voleibol NORCECA 2023 en Quebec, Canadá, se llevará a cabo del 29 de agosto al 3 de septiembre en el PEPS’ Amphithéâtre Desjardins-Université Laval.

**Shannon Winzer, entrenadora de Canadá:** “Esto es verdaderamente importante para puntos de ranking, pero cada vez que competimos en nuestra región, deseamos ser uno de los equipos líderes. La última vez que jugamos en el Campeonato NORCECA quedamos en tercer lugar y nuestra intención es mejorar ese resultado, queremos vernos en ese partido por la medalla de oro. Creo que esto establece el tono para el resto del verano - creo que estamos en una muy buena posición. Jugar en casa es muy emocionante - el ambiente que han creado aquí en Quebec es increíble formar parte de él. Añade un elemento adicional de querer dar lo mejor de nosotros en este escenario”

**José Miguel Brinceño, entrenador de Costa Rica:** “Las expectativas que tenemos es que haya bastante aprendizaje del equipo que traemos que es bastante joven. Traemos jugadoras Sub-19, algunas jugadoras que están empezando en el proceso de selección mayor y también jugadoras que han tenido bastante participación internacional. Esperamos que estas jugadoras se acoplen y que en próximos años sean una base sólida en la selección mayor. Queremos aprender de los mejores equipos, participar de la mejor manera y hacer nuestro mejor partido en cada encuentro, que partido a partido vayamos de menos a más”.

**Osmani García, entrenador de Cuba:** “Llegamos acá de después de un torneo muy fuerte en República Dominicana y nuestro grupo se encuentra todavía con el polvo del avión. Las expectativas será día a día hacer la estrategia y buscar la mayor cantidad de puntos en el ranking. En este momento no estamos clasificados para los eventos preolímpicos, estamos buscando conformar un grupo con vistas a los Juegos Panamericanos”.

**Marcos Kwiek, entrenador de República Dominicana:** “Esta es mi primera vez compitiendo acá en Canadá con el equipo dominicano; llevo 16 años con el equipo y es mi primera vez acá. Estamos muy emocionados con el torneo. Es un torneo muy importante. No lo tomo como un torneo de preparación, es un torneo muy importante, es parte de la clasificación Olímpica. Estamos acá para competir a un gran nivel, es obvio que cada equipo acá tiene el mismo objetivo y como un equipo más que quiere ganar el torneo; es parte de nuestra preparación para la clasificación a los Juegos Olímpicos”.

**Victor Gutiérrez, delegado técnico de México:** “México siempre viene a hacer lo mejor posible en todos los eventos y en esta ocasión no es la excepción, así que esperamos un buen evento para México. Será una gran competencia, al parecer los equipos que están acá vienen con su equipo estelar, por lo que será una competencia fuerte e interesante”.

**Fernando Morales, entrenador de Puerto Rico:** “Buscamos alcanzar el top cuatro, las semifinales. Por lo que trataremos ganar nuestro grupo y avanzar directamente a las semifinales. Si no se logra, el objetivo será ganar el partido de cuartos de final y luego tratar de obtener una medalla. Pero nuestro primer objetivo es estar en las semifinales. Hasta el momento hemos tenido un gran verano; hemos disputado tres torneos y en todos ellos hemos alcanzado las finales. Sabemos que este será más difícil, pero deseamos estar en esa semifinal y lugar por una medalla”.

**Karch Kiraly, entrenador de Estados Unidos:** “Estamos muy emocionados de competir en nuestra región, nuestro Campeonato Continental; se llevan a cabo cada dos años y son verdaderamente importantes para nuestros puntos de ranking – se llevan frecuentemente al final de la temporada cuando los equipos están intentando alcanzar su máximo y afinar su juego. No sólo es un gran examen, pero también una gran preparación para muchos equipos que están acá que luego competirán en la clasificación Olímpica. Es una combinación importante de torneos. Nos encanta disputar una competencia una detrás de otra ... Tenemos gran expectativa en ello”.
