## **Men's Pan Am Cup, a challenge for everyone**

MEXICO CITY, Mexico, May 20, 2016. – On the eve of the XI Men's Pan American Cup in Mexico City, the coaches of the ten participating teams agree that the next days present a challenge for each one of them and their players.

Teams presented the necessary paperwork for their official registration during the preliminary inquiries and took part of the general technical meeting to have every detail set for the tournament running from May 21-26.

Coaches had the opportunity to share their first thoughts looking at the competition ahead and this is what they said:

### **Camilo Soto, Argentina**

We are presenting our U-23 team, with players who are projecting for the future and some of them with the possibility to be part of our Olympic team. The group is ready for the challenge to face senior opponents. Argentina has played an important role in previous editions in Pan Am Cup, always winning a medal and we can't come short. The first matches will be crucial for our players, being able to grow.

### **Canada, Georges Laplante**

Canada is bringing our B team; we have very good athletes from all over the country and very talented players. We don't know all of our opponents but we'll face each match with a winning attitude and for sure it will be a good and challenging competition. We finished fourth last time and we are hoping to do better.

### **Chile, Daniel Nejamkin**

We are seeded in a difficult group, it's a challenge to face United States and Dominican Republic, but overall a learning experience. Our team is young in age but it's the senior team, we are bringing the best players in Chile. After the conclusion of the Pan American Cup, we have another great challenge, the Olympic Qualifier right here in Mexico, which is very exciting. Some of our players have only face South American teams, so this also excites us.

### **Percy Oncken, Colombia**

I've been in charge of the team for only sixteen days and for the little time we've been working together, I find the team in good conditions. We played several practice matches against Mexico, which were very important for our adjustment, we are all motivated. I know Chile and Argentina, and some other players when they were juniors. We are set to play one match at a time.

### **Cesar Salas, Costa Rica**

For Costa Rica this is an historic event, because we have always competed in the women's Pan American Cup. We are ready for the challenge to face this new phase with responsibility, our hard work in the past four years has paid off and even if we're facing powerful teams, we will show that Costa Rica plays good volleyball. We are missing Richard Smith, one of our strongest players, he has been playing beach volleyball, so we are presenting several variations which will be evaluated for future events.

### **Cuba, Rodolfo Sánchez**

The Pan American Cup is an important competition for us; this year it's part of our preparation for the Olympic Games and for World League. We've been working very hard and the team is in good shape, we'll play each match with our maximum capabilities aiming for a good result and the qualification for next year's World League.

### **Marvin Ulloa, Honduras**

The technical staff and players have mixed emotions, happiness and good expectations for the historic debut of Honduras in Pan American Cup. I hope for a good response from the team, it's the same squad that competed in last years' NORCECA Continental Cup in Cordoba, our players is experienced in our zone. Luis Salgado, who played many years in Europe, is also part of our roster.

### **Jorge Azair, Mexico**

We are only missing one player, Carlos Garr, to have the whole line-up for the Olympic Qualifier. We are aware that this is a demanding tournament, but we are in good conditions, we are aiming to win every match and try to finish in the best possible position. This is our preparation for winning the Olympic berth, this is a chance to evaluate our team and we also have our minds set to qualify for the 2017 FIVB World League.

### **Loren Rodriguez, Dominican Republic**

Our main goal is to qualify of the 2017 FIVB World League. In 2012 we were close, we finished third at the 2012 Pan American Cup and we were the only team to reach a tie-break against USA who later went on winning the tournament. Our team is young because two of our stronger players are playing overseas, Elvis Contreras and Jose Veras, but we brought reinforcements, Wilfredo Hernandez and Pedro Luis who also play overseas. We are hoping to play the best we can and take this opportunity for our young players' growth.

### **United States**

We are looking forward to the competition; it's a young group for us and its fun for us to see how well we do. This group is like a B team, with players just below of our top group. The young players are getting into the pipeline, they are starting to get a feel into the international competition, as they are just finishing university and they are eager to show us what they can do, which will be fun to see.

## **Copa Panamericana Masculina, un desafío para todos**

CIUDAD DE MEXICO, México, mayo 20, 2016. – En la víspera de la XI Copa Panamericana Masculina en la Ciudad de México, los entrenadores de los diez equipos participantes estuvieron de acuerdo en que los próximos días presentan un desafío para cada uno de ellos y de sus jugadores.

Los equipos presentaron los documentos necesarios para su registro oficial durante la reunión preliminar y además participaron de la reunión técnica general para conocer todos los detalles del campeonato que se celebrará de mayo 21-26.

Los entrenadores compartieron sus impresiones sobre la competencia que les espera y esto fue lo que dijeron:

### **Camilo Soto, Argentina**

El equipo que estamos presentando es Sub-23, jugadores de proyección y con varios que tienen posibilidades de ser parte del combinado mayor que estará en Juegos Olímpicos. El grupo tiene un lindo desafío de jugar ante rivales de la categoría mayor. Argentina ha sido protagonista en la Copa, siempre hemos ganado una medalla y no podemos bajar de esas expectativas. Los primeros juegos serán determinantes para este equipo joven e ir creciendo durante el desarrollo del evento.

### **Canadá, Georges Laplante**

Canadá viene con su equipo B; contamos con muy buenos atletas de todo el país y jugadores de mucho talento. No conocemos a todos nuestros rivales pero enfrentaremos cada juego con actitud ganadora y sabemos que será una buena competencia, además de desafiante. La última vez quedamos en cuarto lugar y esperamos finalizar en una mejor posición.

### **Chile, Daniel Nejamkin**

El grupo en que estamos ubicados es muy difícil, enfrentamos a Estados Unidos y República Dominicana por lo que será un gran desafío, pero ante todo aprendizaje. Nuestro equipo es joven de edad pero es la selección mayor chilena, son los mejores jugadores del país, hemos venido con nuestro mayor potencial. Después de Copa Panamericana hay otro gran objetivo será el clasificatorio Olímpico acá mismo, todo lo que estamos haciendo es una gran ilusión. Hay jugadores que nunca se han enfrentado a equipos que no sean de la región sudamericana, así que esa también es parte de la gran ilusión que traemos.

### **Percy Oncken, Colombia**

He tenido a mi cargo el equipo por dieciséis días y para el poco tiempo que llevamos juntos, veo al equipo bien. Tuvimos importantes fogueos ante México para que el equipo se acoplara bien, ellos y yo estamos motivados, es un nuevo desafío para todos. Conozco a los equipos de Chile y

Argentina, además de algunos jugadores cuando fueron de categoría menores. Enfrentaremos un juego a la vez.

#### **César Salas, Costa Rica**

En hombres es histórico que Costa Rica compita en una Copa Panamericana, por tradición siempre han sido las mujeres que compiten a nivel panamericano. Estamos listos para enfrentar este nuevo capítulo con responsabilidad, este es el premio a cuatro años de arduo trabajo y a pesar de que nos enfrentaremos a potencias, mostraremos que tenemos buen voleibol. No contamos con uno de los jugadores más fuertes, Richard Smith, quien en los últimos meses se ha dedicado a voleibol de playa, así que hay algunas variantes que estaremos evaluando para futuros torneos.

#### **Cuba, Rodolfo Sánchez**

La Copa Panamericana es una competencia importante para nosotros; este año forma parte de nuestra preparación para los Juegos Olímpicos así como la Liga Mundial. Hemos trabajado fuerte y el equipo está bastante bien, saldremos a dar nuestro máximo potencial en busca de un buen resultado y la clasificación a Liga Mundial del próximo año.

#### **Marvin Ulloa, Honduras**

El histórico debut de Honduras en la Copa Panamericana tiene a todo el staff técnico y a los jugadores con emoción, alegría y buenas expectativas. Espero que el grupo responda, es el mismo grupo que estuvo en el Campeonato Continental NORCECA en Córdoba el año pasado, además hay jugadores de mucha experiencia en nuestra región. Se cuenta con Luis Salgado, que jugó por muchos años en Europa.

#### **Jorge Azair, México**

A mi equipo solo me falta Carlos Garra para tener la alineación completa que estaremos presentando para el Clasificatorio Olímpico. Estamos conscientes que la Copa es un torneo exigente, pero nos hemos preparado bien, saldremos a ganar y llegar lo más lejos posible. Este será nuestro fogueo para conseguir la plaza a Juegos Olímpicos, podremos evaluar al equipo y además tenemos la meta de clasificar a la Liga Mundial 2017.

#### **Loren Rodríguez, República Dominicana**

Nuestro objetivo principal es clasificar a Liga Mundial. En 2012 logramos el tercer de la Copa y fuimos el único equipo que definió en tie-break ante Estados Unidos que luego se coronó campeón. El equipo es joven ya que tenemos la ausencia de nuestros principales atacantes, Elvis Contreras y José Veras que juegan en el extranjero, pero tenemos dos refuerzos que también militan fuera, Wilfredo Hernández y a Pedro Luis, así que el grupo está reforzado. Venimos a dar lo

mejor de nosotros y aprovechar la oportunidad de los jugadores jóvenes para continuar en su proceso de desarrollo.

Estamos listos para la competencia; tenemos un grupo joven y será interesante ver lo que puedan hacer. Este es nuestro equipo B, con jugadores que están inmediatamente abajo del equipo elite. Los jugadores jóvenes ya están por hacer la transición, están empezando con su roce internacional, ya que acaban de salir de la universidad y están muy ansiosos de mostrar sus capacidades, lo que será bueno presenciar.
