## Cuban Izquierdo confident on his pupils

SANTO DOMINGO, Dominican Republic – The coaches of the seven teams taking part in the III U19 Boys' Pan American Cup expressed their feelings about the chances of their sides one day ahead of the start of the action.

Mario Izquierdo the coach of Cuba, which is the only country among the participants already qualified to this year FIVB U19 World Championship in Tunisia, showed confidence on his boys saying their goal is to win here.

The coaches were asked to comment on their teams during the preliminary inquiry of the teams conducted on Tuesday at NORCECA premises in Santo Domingo.

**Mario Raúl Izquierdo (Cuba):** "We are here to elevate our game level and evaluate what we have prepared towards the world championship. Our purpose is to take the first place here and to double check our technical and tactical preparation ahead of the event in Tunisia."

**Iván Villarreal (Chile):** "Our team has some players with experience at the South American level but is a combination of players born between 2001 and 2004. We are clearly thinking in the South American tournament of youth level but also with the clear intention –like the rest of the teams- of getting one of the two tickets to Tunisia."

**Loren Ricardo Rodríguez (Dominican Republic):** "This is a team under a development plan as a platform to launch the new generation of Dominican men's volleyball. We captured 40 athletes in the National Games from which we took the best 12. Our goal is to classify to the worlds and I think we have possibilities taking into account what at this level means the unity of the group and the psychological aspect."

**Lucas Mora Reider (Guatemala):** "We are bringing a very young team with most of the players born y 2002-03. Our objective is to keep improving during the competition. Cuba is a very strong team in our pool and Dominican Republic is solid and playing at home. We want to play good and prepare for the Central American Championship next October in El Salvador."

**Gabriela Alarcón (Mexico):** "In the last cup we were the champions. This is a new group and there is only one that repeats from the previous edition. We have high expectations of moving to the World Championship. Our concentration was for two weeks in Monterrey but the players are active and fit playing with their clubs in the national championship. "

**Jorge Luis Mena (Nicaragua):** "We will try our best against the stronger teams like Cuba and Dominican Republic but our focus will be on our Central American rival which is Guatemala. Our team has been training for a full year in preparation for the Central American Cup to take place at the end of August in El Salvador."

**Juan Albarrán (Puerto Rico):** "We are going after the ticket. I have some players with experience. Three of them played went to Bahrein and some others played in the last NORCECA tournament. So we are going to battle for the spot. There are some strong teams but anyway we will fight for the pass."

## Cubano Izquierdo confía en sus pupilos

SANTO DOMINGO, República Dominicana - Los entrenadores de los siete equipos que participaron en la III Copa Panamericana de Niños Sub-19 expresaron sus sentimientos sobre las posibilidades de sus equipos un día antes del inicio de la acción.

Mario Izquierdo, el entrenador de Cuba, que es el único país entre los participantes ya calificados para este año en el Campeonato Mundial Sub-19 de la FIVB en Túnez, mostró confianza en sus muchachos y dijo que su objetivo es ganar aquí.

Se pidió a los entrenadores que comentaran sobre sus equipos durante la investigación preliminar de los equipos realizada el martes en las instalaciones de NORCECA en Santo Domingo.

**Mario Raúl Izquierdo (Cuba):** "Estamos aquí para elevar nuestro nivel de juego y evaluar lo que hemos preparado para el campeonato mundial. Nuestro propósito es ocupar el primer lugar aquí y volver a verificar nuestra preparación técnica y táctica antes del evento en Túnez".

**Iván Villarreal (Chile):** "Nuestro equipo tiene algunos jugadores con experiencia a nivel sudamericano, pero es una combinación de jugadores nacidos entre 2001 y 2004. Estamos pensando claramente en el torneo sudamericano de nivel juvenil, pero también con la clara intención como el resto de los equipos, de conseguir una de las dos boletas para Túnez".

**Loren Ricardo Rodríguez (Dominican Republic):** "Este es un equipo bajo un plan de desarrollo como plataforma para lanzar la nueva generación del voleibol masculino dominicano. Captamos 40 atletas en los Juegos Nacionales de los cuales sacamos los mejores 12. Nuestro objetivo es clasificar al mundial y creo que tenemos posibilidades tomando en cuenta lo que en este nivel significa la unidad del grupo y el aspecto psicológico".

**Lucas Mora Reider (Guatemala):** "Estamos trayendo un equipo muy joven con la mayoría de los jugadores nacidos en 2002-03. Nuestro objetivo es seguir mejorando durante la competición. Cuba es un equipo muy fuerte en nuestro grupo y República Dominicana es sólido y juega en casa. Queremos jugar bien y prepararnos para el Campeonato Centroamericano el próximo octubre en El Salvador".

**Gabriela Alarcón (México):** "En la pasada copa fuimos los campeones. Este es un grupo nuevo y solo hay uno que repite de la edición anterior. Tenemos altas expectativas de pasar al Campeonato Mundial. Nuestra concentración fue por dos semanas en Monterrey pero los jugadores están activos y en forma jugando con sus clubes en el campeonato nacional".

**Jorge Luis Mena (Nicaragua):** "Nos esforzaremos al máximo contra los equipos más fuertes como Cuba y República Dominicana, pero nuestro enfoque estará en nuestro rival centroamericano, que es Guatemala. Nuestro equipo ha estado entrenando durante un año completo en preparación para la Copa Centroamericana que tendrá lugar a fines de agosto en El Salvador".

**Juan Albarrán (Puerto Rico):** "Vamos por el boleto. Tengo algunos jugadores con experiencia. Tres de ellos fueron a Bahrein y otros jugaron en el último torneo de NORCECA. Así que vamos a luchar por el puesto. Hay algunos equipos fuertes, pero de todos modos lucharemos por el pase".
