## Women's Challenge Cup Coaches Look Ahead to Competition in Quebec

Women's Challenge Cup, May 31 to June 02, 2019, at the Sportplex in Châteauguay, Quebec, which is a qualifier for the VNL qualification tournament.

Head coach Jose Mieles (PUR): "Our main goal is to qualify for the next tournament; and to keep preparing for the rest of the season because it's going to be a hard year for our team. Last year in Edmonton (for the same tournament) we had a very exciting five-set game with Canada and won, and we're hoping for the same level of excitement and the same result!"

Head coach Claudio Torres Garcia (MEX): "This will be a good test for the team, we have many players who are newly selected to the National Team and I believe they will absorb the experience. We will strive to win both matches."

Head coach Tom Black (CAN): "We're still learning a lot about each other, but I definitely like the team we're bringing out to the floor – they've been working really hard this past month. The girls are ready to compete. I think Canada's going to see an exciting style of play. We have two big goals – we have to qualify for the Olympics and also for VNL, and this is one step in the process. This tournament is a necessary important step. "
