### **Coaches affirm their teams are enthusiastic for the Boys' U19 NORCECA Title**

PONCE, Puerto Rico, 13 de mayo de 2024.- Head coaches of the eight participating teams in the Boys' U19 NORCECA Continental Championship, indicated that their teams are enthusiastic to compete for the NORCECA title.

The NORCECA Continental event, to be contested at Salvador Dijols Coliseum, is part of the qualifying process to the 2025 Boys U19 FIVB World Championship.

The U19 NORCECA Champion will qualify to worlds and the FIVB will confirm the number of slots available for our Confederation later on.

Livestream of the event is available on demand at [www.r1live.com](http://www.r1live.com)

Dan Ota, Head Coach of Canada: "We have not had any preparation time with this team because the athletes are all playing with their clubs currently, it's near the end of the club season, so we had not had the opportunity to train as a team. It'll be exciting to see them together for the first time today in practice, so we don't know what to expect and I am looking forward to this opportunity to introduce these young athletes to international volleyball".

Robertocarlo Argüello Quesada, Head Coach of Costa Rica: "It's been a six-month training process to put together the team. The group has a clear job they must do on the court, they are eager and enthusiastic to compete. The team is doing well, with talented boys and the physical attributes to play a NORCECA event, we will be able to put up a fight against all our opponents".

Lian Sem Estrada, Head Coach of Cuba: "We are seeking to keep Cuba's supremacy in our zone and qualify for the World Championship. We have no intention to put pressure on the team, but we will battle for the slots available for NORCECA for worlds. This team is the base of the U17 team that competed in Mexico last year, it's a young team, with great energy and anxious to do things well".

Francisco José Lerebours, Head Coach of Dominican Republic: "For me, this is a new challenge, it's the first time I am head coach, and I am ready to assume the role. The team has a lot of time preparing itself, some of the players have experience at the U17 NORCECA and the whole team has the capacity, projection, and vision to do things well. This is a process of young players developing, but as a team we set some goals, looking for a good performance and finish in a good position".

Luis Fernando Castañeda, Head Coach of Guatemala: "We have prepared strongly for this tournament for a couple of months when it was confirmed our participation. We are waiting for some athletes to come depending on their American visa. Six athletes in the team are U17 and we are looking for a good performance".

Carlos De Sevilla Ríos, Head Coach of Puerto Rico: “Being in our homeland adds a bit more pressure, but the group is the one that won the NORCECA U17 championship in Mexico, with the addition of one U19 player and two U17 players who did not travel to Mexico, so that event helped the team to withstand a lot of pressure. Participating in this championship with the U17 team that will compete in June in Mexico and in the FIVB World Championship in Bulgaria in August is a strategic decision to compete and prepare for those tournaments. I am happy that the boys are working on a 23-week program in preparation for a world event, which motivates us. I am very proud of the team and the expectation is to finish among the top three positions, despite facing teams with older players, but we are very competitive”.

Furjil Ong-A-Fat, Head Coach of Suriname: “The team is well prepared, we started to practice at the end of January, so I think the guys are ready to show on the court what we’ve been doing since then up to now. Five players are coming from the under-17 team that competed in Mexico and will bring some experience. We are excited to give everything on the court”.

Charles Sullivan, Head Coach of United States: “It’s a great group of guys that prepared very well, they worked really hard. As usual at these kinds of competitions, for a group that comes for the first time, it’s a little bit different from what we play in the United States, so It’s going to be a large learning curve to go through, so I hope we will push them through fast and they catch on quick and do a good job here”.

## **Entrenadores afirman sus equipos están con entusiasmo por el título NORCECA Sub-19**

PONCE, Puerto Rico, 13 de mayo de 2024.- Los entrenadores de los ocho equipos participantes en el Campeonato Continental NORCECA Sub-19 Masculino, indicaron que sus equipos llegan con entusiasmo por competir por el título de NORCECA.

El evento continental NORCECA, que se disputará en el Coliseo Salvador Dijols, es parte del proceso de clasificación para el Campeonato Mundial Sub-19 Masculino 2025 de la FIVB.

El campeón NORCECA Sub-19 clasificará al Mundial y la FIVB confirmará más adelante el número de plazas disponibles para nuestra Confederación.

El evento contará con transmisión en vivo por paga en [www.r1live.com](http://www.r1live.com)

Dan Ota, Entrenador de Canadá: “No hemos tenido ninguna preparación con este equipo porque los atletas actualmente se encuentran jugando con sus clubs, ya casi se termina la temporada de clubes, así que no hemos tenido la oportunidad de entrenar al equipo. Será emocionante verlos juntos por primera vez en la práctica de hoy, así que no sabemos qué esperar y estoy ansioso de esta oportunidad de introducir a estos jóvenes atletas al voleibol internacional”.

Robertocarlo Argüello Quesada, Entrenador de Costa Rica: “Hemos tenido un proceso de entrenamientos de seis meses para conformar el equipo. El grupo tiene clara la idea del trabajo que hay que hacer en la cancha, tienen ganas y entusiasmo por competir. Venimos bien, con chicos con talento y biotipo necesario para disputar un NORCECA, podremos darles pelea a todos nuestros rivales”.

Lian Sem Estrada, Entrenador de Cuba: “Buscamos mantener la supremacía de Cuba en nuestra zona y poder clasificar al Campeonato Mundial. La intención es no presionar al equipo, pero vamos a luchar por los boletos que estarán disponibles para la NORCECA en el Mundial. Este equipo es la base del U17 que compitió en México el año pasado, es un grupo joven, con todas la garra y ansias de hacer las cosas bien”.

Francisco José Lerebours, Entrenador República Dominicana: “Este es un nuevo reto para mí, es la primera vez que soy entrenador principal y estoy listo para asumir el compromiso. El equipo tiene mucho tiempo preparándose, hay algunos que tienen experiencia del NORCECA Sub-17 y todo el equipo tiene la capacidad, proyección y visión para hacer las cosas bien. Este es un proceso de jugadores jóvenes en desarrollo, pero nos propusimos en conjunto metas, buscando una buena participación y terminar en un buen lugar”.

Luis Fernando Castañeda, Entrenador de Guatemala: “Nos hemos estado preparando fuerte para el torneo desde hace un par de meses que se confirmó nuestra participación. Estamos esperando la

confirmación de que se incorporen algunos atletas al equipo por el trámite de visa americana. Seis atletas del equipo son de la categoría Sub-17 y buscamos dar un buen desempeño”.

Carlos De Sevilla Ríos, Entrenador de Puerto Rico: “Por estar en nuestra patria hay un poco más de presión, pero el grupo es el que quedó campeón en México en el NORCECA Sub-17, con la adición de un jugador Sub-19 y dos Sub-17 que no viajaron a México, así que ese evento ayudó al equipo a soportar mucha presión. Participar en este campeonato con el equipo Sub-17 que va a competir en junio en México y en el Campeonato Mundial de la FIVB en Bulgaria en agosto, es una decisión estratégica para competir y en preparación para esos torneos. Estoy contento de que los muchachos están trabajando un programa de 23 semanas en preparación para un mundial, eso nos motiva. Estoy muy orgulloso del equipo y la expectativa es terminar entre las primeras tres posiciones, a pesar de enfrentarnos a equipos con jugadores de mayor edad, pero somos bien batalladores”.

Furjil Ong-A-Fat, Entrenador de Surinam: “El equipo está bien preparado, empezamos a entrenar a finales de enero, así que pienso que los chicos están listos para mostrar en la cancha lo que hemos venido haciendo desde entonces hasta ahora. Cinco jugadores vienen del equipo Sub-17 que compitió en México y traen alguna experiencia. Estamos emocionados de darlo todo en la cancha”.

Charles Sullivan, Entrenador de Estados Unidos: “Es un gran grupo de chicos que se prepararon muy bien, trabajaron realmente duro. Como es habitual en este tipo de competencias, para un grupo que viene por primera vez, es un poco diferente a lo que jugamos en Estados Unidos, así que va a ser una gran curva de aprendizaje para atravesar, así que espero que los impulsemos rápidamente y que entiendan rápido y hagan un buen trabajo aquí”.
