Coaches reveal expectations for the XVII Men's Pan American Cup

SANTO DOMINGO, Dominican Republic, July 13, 2024.- The ten coaches participating in the XVII Pan American Men's Volleyball Cup commented on their expectations during the preliminar meeting to compete starting this Sunday in the "Ricardo Arias" National Volleyball Pavilion of the Juan Olympic Center Pablo Duarte.

Andy Read, United States: I think it is an extremely strong tournament and in an Olympic year, there are 10 well-prepared teams here so the United States will have some very competitive matches in this event that is very well organized and we are very excited to to be here.

Mario Izquierdo, Cuba: The Cuban team brings great expectations after not having qualified for the Olympic Games, we began our preparation for the other Olympic Games and this tournament marks the beginning of our new Olympic cycle, that is why we are giving the possibility to athletes of a second line so that they can be in the not too distant future in the national team for the upcoming international events that we have.

Carlos Schwanke, Mexico: We have high expectations, there are several games that are going to make us difficult but the more time we spend on the court the better it will be since we have new guys who need to raise the level, that is the first objective here in this tournament .

Glenn Hoag, Canada: I think it's going to be a very interesting tournament for us, the group we brought is the next generation of Team Canada so they will have the opportunity to compete with highly competitive teams and I think it's going to be a great learning opportunity.

José Gutierrez, Dominican Republic: Expectations are good for this tournament because we are going with the full team as we would have wanted in Puerto Rico where we couldn't have it so we are going to fight to stay in a good place.

Carlos Goicochea, Peru: We have prepared well, we bring a mix of young and veteran players and we have high expectations even though we have not participated in any tournament for a year, but the most important thing is to see how the athletes perform since our sights it is set for 2027 so this tournament is very good for us because there are high quality teams.

Reider Mora, Guatemala: We know that it is a high-level event, one of the best played on the continent, we know that there are teams that come with their second group but what we want is for the boys to play and have a good result and try to do the best possible in this event.

Felipe Ozorio, Colombia: Our country comes with great expectations after coming from some very interesting Pan American Games in our performance and our result, now we are trying to incorporate new players so that they acquire the experience of the veterans and I hope that we can be among the first four places in this Pan American Cup.

CRESO

Alberto Torres, Puerto Rico: the first thing we want is to maintain the level at which we have been playing since the last competition and of course try to win a medal. We believe that we have the group for that. We have continuity since last summer and we believe that we have a chance to be among the top three in this event.

Daniel Nejamkin, Chile: This is the second tournament we have played in the year so we come with little preparation, without a doubt that for us the Pan American Cup is a very important tournament, we understand that our area is complicated with the United States, Canada, Mexico and Puerto Rico, so we expect the best performance in the first games to aspire to reach the medal zone.

Entrenadores revelan expectativas para la XVII Copa Panamericana Masculina

SANTO DOMINGO, República Dominicana, 13 de julio de 2024.- Los diez entrenadores que participan en la XVII Copa Panamericana de Voleibol Masculino comentaron sus expectativas durante la reunión preliminar para competir a partir de este domingo en el Pabellón Nacional de Voleibol "Ricardo Arias" del Centro Olímpico Juan Pablo Duarte.

Andy Read, Estados Unidos: Yo pienso que es un torneo extremadamente fuerte y en un año olímpico, aquí hay 10 equipos bien preparados así que los Estados Unidos tendrán unos partidos de mucha competición en este evento que está muy bien organizado y estamos muy excitados de estar aquí.

Mario Izquierdo, Cuba: El equipo de Cuba trae grandes expectativas después de no haber clasificado para los Juegos Olímpicos comenzamos la preparación para los otros juegos Olímpicos o sea que este torneo es el inicio nuestro nuevo ciclo olímpico por eso le estamos dando la posibilidad a atletas de una segunda línea para que puedan estar en un futuro no muy lejano en el equipo nacional para los venideros compromisos internacionales que tenemos.

Carlos Schwanke, México: Tenemos fuertes expectativas, hay varios juegos que nos van a poner en dificultad pero mientras más tiempo pasemos en la cancha será mucho mejor ya que tenemos muchachos nuevos que necesitan subir el nivel, ese es el primer objetivo acá en este torneo.

Glenn Hoag, Canadá: Creo que va a ser un torneo muy interesante para nosotros, el grupo que trajimos es la próxima generación del equipo de Canadá así que tendrán la oportunidad de competir con equipos de alto nivel de competitividad y creo va a ser una gran oportunidad de aprendizaje.

José Gutierrez, República Dominicana: Las expectativas están buenas para este torneo porque vamos con el equipo completo como lo hubiéramos querido en Puerto Rico donde no lo pudimos tener así que vamos a luchar para quedar en un buen lugar.

CRESO

Carlos Goicochea, Perú: Nos hemos preparado bien, traemos una mezcla de jugadores jóvenes y veteranos y tenemos grandes expectativas a pesar de que llevamos un año sin participar en ningún torneo, pero lo más importante es ver como se desenvuelven los atletas ya que nuestra mira está puesta para el 2027 así que este torneo nos viene muy bien porque hay equipos de mucha calidad.

Reider Mora, Guatemala: Sabemos que es un evento de buen nivel, uno de los mejores de los que se juegan en el continente, sabemos que hay equipos que vienen con su segundo grupo pero lo que queremos es que los muchachos jueguen y que tengan un buen resultado y tratar de salir lo mejor posible en este evento.

Felipe Ozorio, Colombia: Nuestro país viene con una gran expectativa después de venir de unos Juegos Panamericanos muy interesantes en nuestro rendimiento y nuestro resultado, ahora estamos tratando de incorporar nuevos jugadores para que adquieran la experiencia de los veteranos y espero que podamos quedar entre los primeros cuatros lugares en esta Copa Panamericana.

Alberto Torres, Puerto Rico: lo primero que queremos es mantener el nivel con que venimos jugando desde la última competencia y claro tratar de ganar una medalla creemos que tenemos el grupo para eso tenemos una continuidad desde el verano pasado y creemos que tenemos opciones de estar entre los tres primeros en este evento.

Daniel Nejamkin, Chile: Este es el segundo torneo que jugamos en el año así que venimos con poco rodaje, sin dudas que para nosotros la Copa Panamericana es un torneo muy importante, entendemos que nuestra zona es complicada con Estados Unidos, Canadá, México y Puerto Rico, así que esperamos el mejor rendimiento en los primeros partidos para aspirar llegar a la zona de medallas.
