### Senior Women's Pan American Cup, A Significant Challenge

LEÓN & IRAPUATO, Mexico, August 17, 2024. – A significant challenge awaits the 12 teams and their coaches who will compete in the XXI Women's Pan American Women's Volleyball Cup, to be held from August 18 to 25 in the cities of León and Irapuato in Guanajuato, Mexico.

The Pan American Cup grants FIVB World Ranking points and will kick off on Sunday in two venues simultaneously; Pool A at the Domo de La Feria in León and Pool B at the Inforum Irapuato in Irapuato.

**Facundo Morando, Head Coach of Argentina:** “We are bringing a very new team, in the process of renewal, aiming to score as many ranking points as possible, as well as preparing for next year's World Championship. Argentina's goal at this moment is to prepare the new players with the upcoming competitions in mind: World Championship, Pan American Cup, trying to earn points for the VNL, and starting a new process with an eye toward the Los Angeles 2028 Olympic Games”.

**Shannon Winzer, Head Coach of Canada:** “We are looking forward to this year's PanAm Cup. It is a great opportunity for us to work with our NextGen athletes against strong national teams from the region and give them invaluable international experience that is so essential as we look towards LA2028. We arrived a week early for an exhibition series vs Mexico and this preparation will put us in a great position to have a strong showing at this event”.

**Eduardo Guillaume, Head Coach of Chile:** “We have been solidifying ourselves in recent years. What's coming in the Cup? Gaining more experience, solidifying our game. Last year was very positive, with historic results like fourth place in the South American Championship and fifth place in the Pan American Games, entering ranked in eighth”.

**Hernán Osorio, Head Coach of Colombia:** “It is clearly a very big challenge. The name of Colombia in volleyball has been building a significant history in the continent. Therefore, at this moment of change in the process, with a new coach and federation, our goal is to do it in the best possible way, in line with what the girls have developed in recent years. It is a great responsibility, both for them and for us, because of what it means to represent the country. We are making many administrative and technical efforts to fulfill this commitment and ensure that the name of Colombia is held high”.

**Braulio Godínez, Head Coach of Costa Rica:** "I just took over the national team, and we have a group that I feel has talent, but I'm not sure if we'll be able to show it now. Our goal is to start preparing for the Central American Games and the Central American Cup next year. Since the level of play in Central America has become much more competitive, we want to see if we can regain the dominance we had many years ago. We are working with a mixed group of young and some experienced players, trying to build empathy between the players and me, as they have been with other coaches before. I believe the advantage is that many have gone through a process with various teams, and that helps us a lot in consolidating the group. The idea is to channel that experience."

**Leivis García, Head Coach of Cuba:** "We are presenting a team with some new players, including girls who haven't been able to compete this year, and some of them had health issues in the final stage, leading to a preparation deficit. We are focused on evaluating some athletes for the next four-year cycle, but with a strong desire to play volleyball. We will face opponents we've met before, and this Cup will be very exciting; we will have to give it our all to get as close to the podium as possible."

**Marcos Kwiek, Head Coach of the Dominican Republic:** "We have just returned from a great experience, and we are coming with a very different team. We will be testing young players who are already part of the project but will have the opportunity to play with the senior team. We hope everything goes well, and that everyone can contribute and help the team reach our goal, which is to compete for a medal."

**Nicola Negro, Head Coach of Mexico:** "After winning two medals in the first events of 2024 (silver in Final 4 and bronze in Final 6), we would really like to finish the season with another medal. We know it will be much more difficult because the level of competition is higher. Very strong and good teams are coming to Mexico. We had some issues with our roster during preparation; some players won't be able to participate due to university commitments and others due to injuries, so we are not in an ideal position. We will aim for the best possible result, knowing that the strength of the opponents is significant".

**Walter Lung, Head Coach of Peru:** "Professor Rizola entrusted me with the task of facing this new challenge for Peru at a time when there is a small restructuring process across all of Peru's women's national teams; he is committed to the U17 World Championship. We have worked with the senior team over the past two and a half months in the best way possible. The players here are giving their best. This is a test for them, as they have accepted Professor Rizola's challenge and are eager to showcase themselves on the senior team".

**José Mieles Monge, Head Coach of Puerto Rico:** "We are here aiming to be on the medal stand, to end the year as it should be, which is reaching the podium. We have a fairly diverse group, with both veterans and young players trying to improve every day; we have players from the U19 team, trying to maintain continuity in our transitions, and we believe that in this tournament we can achieve that".

**Claudius Straal, Head Coach of Suriname:** "Facing a new challenge will be a good contest for our girls. They are going to experience what high level means to them and how the young ones have to practice reaching that level. We are bringing three or four players who have experience".

**Bradley Rostratter, Head Coach of United States:** "We're excited. There are 12 good teams, there's a lot of volleyball ahead of us for the next eight days. Our team is prepared. We played a lot of volleyball in the last three weeks and had a tough training block. We brought 14 athletes, and we think they will all be able to play roles on the court to help us manage such a heavy load and high volume of matches and tournament play. For USA the goal is always to bring back the gold medal and strive to be the best we can be every single day".

#### **Copa Panamericana Femenina de Mayores, Un importante Desafío**

LEÓN E IRAPUATO, México, 17 de agosto de 2024.- Un importante desafío afrontarán los 12 equipos y sus entrenadores que competirán en la XXI Copa Panamericana de Voleibol Femenino a celebrarse del 18 al 25 de agosto en la Ciudades de León e Irapuato en Guanajuato, México.

La Copa Panamericana otorga puntos para el ranking mundial de la FIVB y dará inicio el domingo en dos sedes simultáneas, el Grupo A en el Domo de La Feria en León y el Grupo B en el Inforum Irapuato en Irapuato.

**Facundo Morando, Entrenador de Argentina:** "Traemos un equipo muy nuevo, en proceso de renovación, que viene a sumar la mayor cantidad de puntos posibles en el ranking, además de prepararse para el Mundial del próximo año. Argentina en este momento tiene como objetivo preparar a las nuevas jugadoras pensando en lo que se viene, Mundial, Copa Panamericana, tratar de sumar puntos para la VNL y comenzar un nuevo proceso de cara a los Olímpicos de los Ángeles 2028".

**Shannon Winzer, Entrenadora de Canadá:** “Estamos deseando que comience la Copa Panamericana de este año. Es una gran oportunidad para trabajar con nuestras atletas de la próxima generación contra equipos nacionales fuertes de la región y darles una experiencia internacional invaluable, que es tan esencial mientras miramos hacia Los Ángeles 2028. Llegamos una semana antes para una serie de exhibición contra México, y esta preparación nos pondrá en una gran posición para tener una actuación destacada en este evento”.

**Eduardo Guillaume, Entrenador de Chile:** “Nos venimos consolidando en los últimos años. ¿Qué viene en la Copa? a seguir ganando horas de vuelo, afirmando su juego. El año pasado fue muy positivo, con resultados históricos como el cuarto lugar en el Sudamericano y el quinto puesto en los Juegos Panamericanos siendo octavos en el ranking”.

**Hernán Osorio, Entrenador de Colombia:** “Claramente es un reto muy grande, el nombre de Colombia en el voleibol ha ido construyendo una historia significativa en el continente. Por lo tanto, en este momento de cambio en el proceso, de nuevo entrenador y la federación, es tratar de hacerlo de la mejor manera coherentemente con lo que las chicas han desarrollado en los últimos años. Es una responsabilidad grande tanto para ellas como para nosotros, por lo que significa representar el país. Estamos haciendo muchos esfuerzos administrativos y técnicos para cumplir con este compromiso y que sea el nombre de Colombia el que quede en alto”.

**Leivis García, Entrenador de Cuba:** “Presentamos un equipo con algunas novedades, con niñas que no han podido competir este año y también en la última etapa algunas de ellas tuvieron problemas de salud y hay algún déficit de preparación. Estamos enfocados en apreciar algunas atletas para el próximo cuatrienio, pero con muchos deseos de jugar al voleibol. Encontramos rivales con los que ya nos hemos enfrentado y esta Copa será muy bonita, habrá que emplearse a fondo para tratar de estar lo más cercano al pódium”.

**Braulio Godínez, Entrenador de Costa Rica:** “Acabo de tomar la selección y tenemos un grupo que siento que tiene talento, pero no sé si lograremos mostrarlo ahora. Nuestro objetivo es iniciar un trabajo de cara a los Juegos Centroamericanos y la Copa Centroamericana del próximo año; y debido a que se ha nivelado mucho el nivel de juego en Centroamérica, queremos ver si podemos retomar la hegemonía que teníamos desde hace muchos años. Empezamos a trabajar con un grupo variado, de juventud y algunas de experiencia y tratar de crear empatía entre el grupo de jugadoras conmigo, ya que vienen de estar con otros entrenadores. Creo que la ventaja es que muchas han pasado un proceso en varias selecciones y eso nos ayuda mucho a consolidar un grupo, la idea es canalizar ese bagaje”.

**Marcos Kwiek, Entrenador de República Dominicana:** “Acabamos de llegar de una linda experiencia, venimos con un equipo muy distinto. Vamos a poner a prueba a jóvenes que ya son parte del proyecto pero que tendrán oportunidad de jugar con el equipo de mayores. Esperamos que todo salga bien, que todas puedan contribuir y aportar para que el equipo alcance nuestra meta que es disputar una medalla”.

**Nicola Negro, Entrenador de México:** “Después de ganar dos medallas en los primeros eventos en 2024 (plata en Final 4 y bronce en Final 6), nos gustaría mucho terminar la temporada con otra medalla. Sabemos que será mucho más difícil porque la competencia a nivel técnico es superior. Vienen a México equipos muy buenos y fuertes. Nosotros tuvimos algunos problemas con el roster durante la preparación, algunas jugadoras no podrán estar por la Universidad y otras por motivos de lesiones, por lo que nos encontramos en posición que no es la ideal. Vamos a buscar el mejor resultado posible, sabiendo que el valor del adversario es importante”.

**Walter Lung, Entrenador de Perú:** “El profesor Rizola me encomendó la tarea de enfrentar este nuevo reto para Perú en un momento en que hay un pequeño proceso de reestructuración (re-cambio) en todas las selecciones femeninas de Perú; él se encuentra con el compromiso del mundial Sub-17. Hemos trabajado con la selección mayor en los últimos dos meses y medio de la mejor manera posible. Las jugadoras que están acá vienen a dar lo mejor, es un termómetro para ellas que han aceptado el reto del profesor Rizola y están deseosas de mostrarse en la selección mayor”.

**José Mieles Monge, Entrenador de Puerto Rico:** “Venimos en busca de estar en el medallero, terminar el año como se debe, que es estar en el pódium. Tenemos un grupo bastante variado, entre veteranas y jóvenes tratando de jugar mejor cada día; tenemos jugadoras del equipo U19, tratando de darle continuidad a los recambios y entendemos que en este torneo podemos hacer eso”.

**Claudius Straal, Entrenador de Surinam:** “Enfrentar un nuevo desafío será una buena prueba para nuestras chicas. Van a experimentar lo que significa el alto nivel para ellas y cómo las más jóvenes deben practicar para alcanzar ese nivel. Traemos tres o cuatro jugadoras que tienen experiencia”.

**Bradley Rostratter, Entrenador de Estados Unidos:** “Estamos emocionados. Hay 12 gran equipos, hay mucho voleibol por delante de nosotros por los próximos ocho días. Nuestro equipo está preparado. Jugamos mucho voleibol durante las pasadas tres semanas y tuvimos un bloque fuerte de entrenamiento. Traemos 14 atletas, y creemos que serán capaces de jugar sus roles en la cancha para ayudarnos a administrar tan fuerte carga y gran volumen de juegos y del torneo. Para Estados Unidos la meta siempre es llevarse la medalla de oro y esforzarse en hacer lo mejor que podamos cada día”.
