2025 NORCECA SENIOR WOMEN FINAL SIX

Coaches Speak Ahead of the NORCECA Women's Finals Six

GUADALAJARA, Jalisco, September 14, 2025.- Head Coaches from Canada, Cuba, Dominican Republic, Mexico, Puerto Rico and the United States spoke ahead of the 2025 NORCECA Women's Final Six event running from September 15 to 21 in Guadalajara, Jalisco.

Tournament ranking points for the 2026 NORCECA Continental Championship, which is the Olympic Qualifier, in addition to world ranking points for the teams that do not compete in the Volleyball Nations League VNL.

Matthew Krueger, Canada's Head Coach: "We're excited to be back in Mexico, the tournaments have been great for us as a team and as a program. We've been very intentional with the things we've been working on from the last two competitions, we want to improve and see how we can get better. I'm looking forward to seeing how the last three weeks of practice will progress our team into this competition. We have players who are coming back from the U23 Pan Am Cup and the Senior Pan Am Cup, but some new athletes are here as well, which shows the depth of our program and excited to give them an opportunity".

Luizomar De Moura, Cuba's Head Coach: "It is a great pleasure to be here, in a high-level tournament. I hope that in this new process I am starting as head coach of the Cuban team, we can have a great competition. I wish good luck to all participants and hope that Cuba achieves success as well."

Marcos Kwiek, Dominican Republic's Head Coach: "We are coming with a very young group, a group with great potential, and we have high hopes that they will play at a good level because they have been working hard. I believe we can perform well."

Nicola Negro, Mexico's Head Coach: "This is the last competition of a rather long season, as always. We are coming from a very positive World Championship, and we want to continue building on our work — it's one more step in our growth. This year marked the beginning of a new cycle, and we are progressing, so we hope to finish well."

Juan Carlos Núñez, Puerto Rico's Head Coach: "This is the last tournament of the year; it's been a long summer with the same players, and we want to finish strong. It's in our best interest to put on a good performance against the teams from which we can earn world ranking points. We want to finish in the best way possible and stay healthy. We are going to do our very best."

Erik Sullivan, USA's Head Coach: "Our team has more young players than players with a lot of experience with us. It's an opportunity to give some people some experience and the opportunity to wear our jersey and compete for our country. In anything we compete we expect to win, that is our goal, but in the end, we're excited to play a lot of matches in a short period of time which will help us to compete".

2025 NORCECA SENIOR WOMEN FINAL SIX

Los Entrenadores Hablan Antes del Final Six Femenino de NORCECA

GUADALAJARA, Jalisco, 14 de septiembre de 2025.- Los entrenadores de Canadá, Cuba, República Dominicana, México, Puerto Rico y Estados Unidos ofrecieron declaraciones previas al inicio del evento NORCECA Final Six Femenino 2025, que se llevará a cabo del 15 al 21 de septiembre en Guadalajara, Jalisco.

El torneo otorga puntos para la clasificación al Campeonato Continental NORCECA 2026, que es el Torneo Clasificatorio Olímpico, además de puntos de ranking mundial para los equipos que no compiten en la Liga de Naciones de Voleibol VNL.

Matthew Krueger, Entrenador de Canadá: “Estamos emocionados de regresar a México, estos torneos han sido excelentes para nosotros como equipo y como programa. Hemos sido muy intencionales con los aspectos en los que hemos estado trabajando desde las últimas dos competencias, queremos mejorar y ver cómo podemos seguir creciendo. Tengo muchas ganas de ver cómo las últimas tres semanas de práctica impulsarán a nuestro equipo en esta competencia. Tenemos jugadoras que regresan de la Copa Panamericana Sub-23 y de la Copa Panamericana Mayor, pero también hay algunas atletas nuevas, lo que demuestra la profundidad de nuestro programa, y estamos entusiasmados de darles una oportunidad”.

Luizomar De Moura, Entrenador de Cuba: “Es un gran placer está acá, en un torneo de alto nivel. Espero que en este inicio de proceso que estoy asumiendo comandando la selección cubana, podamos hacer una gran competencia. Le deseo suerte a todos los participantes y que Cuba tenga éxitos también”.

Marcos Kwiek, Entrenador de República Dominicana: “Venimos con un grupo bastante joven, un grupo de bastante proyección y tenemos mucha esperanza que jueguen a un buen nivel porque están trabajando bien. Creo que podemos hacer un buen papel”.

Nicola Negro, Entrenador de México: “Es la última competencia de una temporada bastante larga, como siempre. Llegamos de un campeonato mundial muy positivo y queremos dar continuidad a nuestro trabajo — es un paso más en nuestro crecimiento. Este año fue el inicio de un nuevo ciclo y vamos creciendo, por lo que esperamos poder concluir bien”.

Juan Carlos Núñez, Entrenador de Puerto Rico: “Este es el último torneo del año, ha sido un verano largo con las mismas jugadoras y queremos terminar bien. Nos conviene tener una buena demostración con los equipos que podemos sacar puntos para el ranking mundial. Queremos terminar de la mejor manera y con salud. Vamos a hacer el mejor papel posible”.

Erik Sullivan, Entrenador de Estados Unidos: “Nuestro equipo tiene más jugadoras jóvenes que jugadoras con mucha experiencia con nosotros. Es una oportunidad para darle a algunas personas experiencia y la oportunidad de vestir nuestra camiseta y competir por nuestro país. En cualquier competencia en la que participemos esperamos ganar, ese es nuestro objetivo, pero al final estamos emocionados de jugar muchos partidos en un corto período de tiempo, lo que nos ayudará a competir”.
