Coaches Share Expectations Ahead of Men's U21 Pan American Cup

GUATEMALA CITY, Guatemala, June 22, 2026. – The coaches of the eight teams participating in the 2026 Men's U21 Pan American Cup shared their expectations on the eve of competition, highlighting the tournament as an important opportunity to evaluate emerging talent, strengthen team development, and continue preparation for future international events.

The tournament will take place from June 23 to 28 at the Gimnasio Teodoro Palacios Flores in Guatemala City, featuring Canada, Costa Rica, Dominican Republic, Guatemala, Mexico, Nicaragua, the United States, and Venezuela competing for the continental title.

Fans will be able to follow all the action live on the YouTube and Facebook platforms of the Guatemala National Volleyball Federation (Federación Nacional de Voleibol de Guatemala). Four matches will be played daily at 2:00 p.m., 4:00 p.m., 6:00 p.m., and 8:00 p.m. local time.

Luis Antonio Arias, Head Coach of Venezuela: “We are very pleased to be part of this competition. We have high aspirations and want to compete at the highest level possible. We understand that it will be a very competitive and demanding tournament, which is extremely important for this team as it continues its development. Competitions like this allow players to gain valuable international experience and continue growing throughout their development process”.

Mike Hawkins, Head Coach of Canada: “Our preparation was a brief trial camp and a couple of weeks of training. It's a unique group, obviously it's a unique summer with just one year for this U21 cycle, so we have a wide range of age classes, which allowed us to find athletes that have potential to move on to senior level. For many of these guys it's their first opportunity at a significant international competition. We are all excited to see how they all perform”.

Arturo Solano, Head Coach of Costa Rica: “We are very excited to be here. We have a strong team, with several players who have experience at the senior national team level, which helps us put together a stronger and more competitive group. Our first challenge is to face the Central American teams—which are very competitive—and Canada, a team we have always wanted to play against, as we look to advance to the semifinals”.

José Francisco Lerebours, Head Coach of the Dominican Republic: “We have a project that we have been developing for several months. We come into this tournament with high expectations of reaching the podium, as we have been carrying out a great deal of work and preparation”.

Reider Lucas, Head Coach of Guatemala: “Our objective is to continue the development process of these players born in 2006 and later. Many of them have not yet had international experience due to adjustments in the competition age categories between AFECVOL and NORCECA. We are pleased with the progress of the group, both in terms of their physical development and their technical and tactical growth. We aim to have a strong tournament and advance as far as possible”.

Erick Eduardo Hernández, Head Coach of Mexico: "It is a pleasure to be in Guatemala. We come from an intense preparation period in Guaymas, Sonora, a city with weather conditions very similar to those here. The players have worked very hard and understand the importance of this competition. We want to have a strong tournament, achieve the best results possible, and continue contributing to their development as future members of our senior national teams. We will leave everything on the court, give our very best, and trust that the work we have put in will help us achieve our goals."

Jorge Mena, Head Coach of Nicaragua: "As always, we are here to compete hard and give our very best. This competition was not originally part of our annual plan, but we were given the opportunity to participate, and we prepared as much as possible, although we are not at one hundred percent. We have brought a new group of players, from an older age category, to help prepare them for future competitions. Nicaragua is known for its fighting spirit, for giving everything on the court and battling until the very last point is played".

Donan Cruz, Head Coach of United States: "We had a really good training in Colorado Springs, at our Olympic Training Center. This team we bring is a very good blend of young players, some were in Xiamen for the U21 World Championship, so we have a new group of young and old players, some of them will be eligible to play in 2028 for the youth World Championships. We'll see some of our new and young talent in this tournament".

Entrenadores comparten sus expectativas previo a Copa Panamericana Masculina U21

CIUDAD DE GUATEMALA, Guatemala, 22 de junio de 2026. – Los entrenadores de las ocho selecciones participantes en la Copa Panamericana Masculina U21 2026 compartieron sus expectativas en la víspera del inicio de la competencia, destacando el torneo como una importante oportunidad para evaluar a las nuevas promesas del voleibol, fortalecer el desarrollo de sus equipos y continuar la preparación rumbo a futuros compromisos internacionales.

El torneo se llevará a cabo del 23 al 28 de junio en el Gimnasio Teodoro Palacios Flores de la Ciudad de Guatemala, con la participación de Canadá, Costa Rica, República Dominicana, Guatemala, México, Nicaragua, Estados Unidos y Venezuela, que competirán por el título continental.

Los aficionados podrán seguir toda la acción en vivo a través de las plataformas de YouTube y Facebook de la Federación Nacional de Voleibol de Guatemala. Cada jornada contará con cuatro partidos programados a las 14:00, 16:00, 18:00 y 20:00 horas, tiempo local.

Mike Hawkins, entrenador de Canadá: "Nuestra preparación consistió en un breve campamento de evaluación y un par de semanas de entrenamiento. Es un grupo particular; obviamente, este es un verano diferente, ya que este ciclo de la categoría U21 dura solo un año. Por ello, contamos con jugadores de distintas edades, lo que nos permitió identificar atletas con potencial para dar el salto a la categoría de mayores. Para muchos de ellos, esta será su primera oportunidad de competir en un evento internacional de gran importancia. Todos estamos entusiasmados por ver cómo se desempeñan en este torneo".

Arturo Solano, Entrenador de Costa Rica: “Estamos muy emocionados de estar acá. Tenemos un equipo fuerte, con jugadores de experiencia en selección mayor que nos ayuda a conjuntar mejor al grupo. Primero debemos enfrentar a los equipos centroamericanos – que son fuertes - y a Canadá – con quiénes siempre hemos querido enfrentarnos – para avanzar a la semifinal”.

José Francisco Lerebours, Entrenador de República Dominicana: “Tenemos un proyecto que venimos desarrollando desde hace varios meses. Traemos una alta expectativa de alcanzar el pódium ya que venimos desarrollando un gran trabajo”.

Reider Lucas, Entrenador de Guatemala: “Nuestro objetivo es continuar el proceso de desarrollo de estos jugadores nacidos a partir de 2006. Muchos de ellos todavía no han tenido experiencia internacional debido a los ajustes en las categorías de competencia entre AFECVOL y NORCECA. Nos sentimos satisfechos con el progreso del grupo, tanto en términos físicos como en su crecimiento técnico y táctico. Aspiramos a realizar un buen torneo y avanzar lo más lejos posible”.

Erick Eduardo Hernández, Entrenador de México: “Es un gusto estar en Guatemala. Venimos de una preparación intensa en Guaymas, Sonora, una ciudad con un clima muy parecido al de aquí. Los muchachos han trabajado muy bien y entienden la importancia de esta competencia. Queremos hacer un buen torneo, buscar los mejores resultados posibles y seguir aportando a su crecimiento como futuros integrantes de las selecciones mayores. Vamos a dejar todo en la cancha, dar lo mejor de nosotros y confiar en que el trabajo realizado nos permita alcanzar nuestros objetivos”.

Jorge Mena, Entrenador de Nicaragua: “Como siempre, vamos a competir fuerte y dar lo mejor de nosotros. Esta competencia no estaba en nuestro plan anual, pero se nos dio la oportunidad de venir y nos preparamos lo más que pudimos, no estamos al cien por ciento. Traemos una camada nueva de muchachos, de una generación más alta para prepararlos para próximas competencias. Nicaragua se caracteriza por su garra, de sudar la camiseta hasta que caiga el último punto”.

Donan Cruz, Entrenador de Estados Unidos: “Tuvimos una muy buena preparación en Colorado Springs, en nuestro Centro de Entrenamiento Olímpico. El equipo que traemos es una muy buena combinación de jugadores jóvenes y con experiencia. Algunos estuvieron en Xiamen para el Campeonato Mundial U21, por lo que contamos con un grupo renovado que mezcla juventud y experiencia. Algunos de ellos serán elegibles para competir en los Campeonatos Mundiales juveniles de 2028. En este torneo podremos ver parte de nuestro nuevo y joven talento.”

Luis Antonio Arias, Entrenador de Venezuela: “Estamos muy contentos de estar en esta competencia. Tenemos grandes aspiraciones y queremos competir al mejor nivel posible. Entendemos que será un torneo muy reñido y exigente, algo muy importante para este equipo que se encuentra en desarrollo. Este tipo de competencias permite que los jugadores sumen experiencia internacional y continúen creciendo dentro de su proceso formativo”.
